RE: MALCO, OHD 004 467 874, PORTAGE COUNTY, RETURN TO COMPLIANCE

Dear Mr. Fryer:

Thank you for your October 12, 2009 response to Ohio EPA's September 4, 2009 Notice of Violation (NOV). Your response was received on October 15, 2009.

The documentation you submitted included copies of attendance sheets showing that appropriate Malco personnel received hazardous waste training on October 8, 2009.

Ohio EPA has reviewed the documentation and determined it is sufficient to demonstrate that Malco Products has corrected the outstanding violation:

- 1. Personnel Training
OAC 3745-65-16(A), (B) and (C)**

No response to this letter is required.

Failure to list specific deficiencies in this communication does not relieve Malco from the responsibility of complying with all applicable Ohio EPA laws and regulations. Please be advised that present or past instances of non-compliance can continue as subjects of pending or future enforcement actions.

Please feel free to contact me at (330) 963-1170 if you have any questions.

Sincerely,

Edward J. D'Amato
Environmental Specialist
Division of Hazardous Waste Management
