Barberton, OH 44203

**RE: MALCO, OHD 004 467 874, PORTAGE COUNTY  
NOTICE OF VIOLATION**

Dear Mr. Fryer:

Malco Products has failed to submit personnel training documentation as required by Ohio EPA's letters dated June 25, 2004, May 4, 2009, June 29, 2009, and August 4, 2009:

**1. Personnel Training  
OAC 3745-65-16(A), (B) and (C)**

Ohio EPA's August 4, 2009 letter specifically required Malco Products to complete the training and submit documentation no later than August 31, 2009 that demonstrates all required employees have completed it.

You must immediately complete the training and submit the required documentation to this office. *Please be advised that failure to do so may result in escalated enforcement action.*

Failure to list specific deficiencies in this communication does not relieve Malco from the responsibility of complying with all applicable Ohio EPA laws and regulations. Please be advised that present or past instances of non-compliance can continue as subjects of pending or future enforcement actions.

Please feel free to contact me at (330) 963-1170 if you have any questions.

Sincerely,

Edward J. D'Amato  
Environmental Specialist  
Division of Hazardous Waste Management
