RE: MARK'S EQUIPMENT  
WAYNE COUNTY  
NON-NOTIFER  
RETURN TO COMPLIANCE  
COMPLAINT NUMBER 7050

Mark Mahnen  
Mark's Equipment  
100 Industrial Street  
Rittman, OH 44270

Dear Mr. Mahnen:

Thank you for your correspondence dated February 10, 2009, and received on February 12, 2009, responding to Ohio EPA's NOV letter dated July 31, 2008.

Mark's Equipment submitted documentation including: lab reports from total metals and TCLP analysis of sand blast media and hazardous waste manifest for shipment of waste paints and future plans for used oil management.

My review of this documentation indicates Mark's Equipment has adequately demonstrated abatement of the violations from the July 14, 2008 inspection cited in my letter of July 31, 2008, specifically:

1. **OAC Rule 3745-52-11 Waste Evaluation**
2. **OAC 3745-279-22(C)(1) Used oil containers and tanks must be labeled with the words Used Oil**
3. **OAC Rule 3745-279-22(D) Generator must respond to used oil releases and perform cleanup steps**

Should you have any questions regarding this letter, please contact me at (330) 963-1165.

Sincerely,

Neil J. Wasilk  
Environmental Specialist  
Division of Hazardous Waste Management
