Carl Udell, Inventory and Compliance Manager
MetroMedia Technologies
1061 Venture Blvd.
Wooster, OH 44691

Dear Mr. Udell:

On March 14, 2008, our office received information and documentation from you concerning our February 5, 2008 hazardous waste inspection. I received this information after I had sent my notice of violation letter so you had already addressed most of the violations I cited. Our office received additional information and documentation from you with your response letter dated April 14, 2008. The documentation included, among other things, a completed manifest, pictures and description of battery management practices, pictures and description of lamp management practices, and a universal waste training sign-in sheet.

Based on the information submitted, MetroMedia has returned to compliance with all rules cited from our February 5, 2008 inspection. Thank you for timely addressing the violations. Should you have any questions related to this letter, please contact me at (330) 963-1226.

Sincerely,

Sheryl K. Slone, P.E.
