Dear Mr. Maroscher:

This letter acknowledges receipt on June 6, 2011 of your correspondence dated June 3, 2011. That correspondence responded to Ohio EPA's NOV letter dated April 11, 2011.

My review of the documentation provided by this correspondence, which included: waste management plans, several lab analytical reports and photos of the chip hopper, indicates that MM Industries has adequately demonstrated abatement of the following violations from the March 24, 2011 inspection cited in my letter of April 11, 2011, specifically:

1. **OAC Rule 3745-52-11 Waste Evaluation**
2. **OAC 3745-279-22(C) (1) Used Oil Containers Must Be Labelled With The Words "Used Oil"**

Should you have any questions regarding this letter, please contact me at (330) 963-1165.

Sincerely,

Neil J. Wasilk
Environmental Specialist
Division of Materials and Waste Management
