Mr. Mark Cuenot
Mactac
4560 Darrow Road
Stow, OH 44224-1898

Dear Mr. Cuenot:

On December 4, 2008, the Ohio Environmental Protection Agency (Ohio EPA) received Mactac's response to the Agency's November 19, 2008 partial return to compliance letter. Mactac submitted a photograph of the "honey dipper" properly labeled as hazardous waste, copies of certified mail receipts documenting contingency plan distribution, revised job titles, and sample information.

Ohio EPA's review of this documentation reveals that Mactac has abated all violations discovered during the September 25, 2008 inspection.

Should you have any question, please feel free to call me at (330) 963-1278. You can find copies of the rules and other information on the DHWM's web page at <http://www.epa.state.oh.us/dhwm>.

Sincerely,

Wade Balser
District Representative
