RETURN TO COMPLIANCE (RTC)

1201 Lakeside, 4th Floor
Cleveland, OH 44114

Dear Mr. Olinek:

Thank you for your correspondence dated September 23, 2010. This letter responded to Ohio EPA's NOV letter dated September 9, 2010.

Cleveland Division of Water submitted a 2008 Annual Report for the Garrett Morgan Water Plant to Ohio EPA, with a copy to this office, as requested in the NOV letter. This facility was an episodic LQG for the month of February 2008.

My review of this documentation indicates that Garrett Morgan Water Plant has adequately demonstrated abatement of the violations from the August 24, 2010 inspection cited in my letter of September 9, 2010, specifically:

1. **OAC Rule 3745-52-41(A). An LQG Must File An Annual Report.**

Should you have any questions regarding this letter, please contact me at (330) 963-1165.

Sincerely,

Neil J. Wasilk
