Dear Ms. Halperin:

On September 15, 2010, the Ohio Environmental Protection Agency (Ohio EPA) received Northeast Ohio Regional Sewer District's (NEORSD) response to the Agency's August 19, 2010 Notice of Violation letter. The facility submitted: photographs, inspection logs, emergency posting, COD waste treatment information, and an acute waste tracking log in response to the violations.

Ohio EPA's review of this documentation reveals that the facility has adequately demonstrated abatement of all violations discovered during the August 4, 2010 inspection.

Should you have any question, please feel free to call me at (330) 963-1278.

Sincerely,

Wade Balsler
District Representative
Division of Hazardous Waste Management
