REQUEST FOR RESPONSE**

Dear Mr. Kafas:

On November 5, 2007, I conducted a hazardous waste compliance evaluation inspection of your property located at 7315 Morgan Avenue in Cleveland, Ohio. The purpose of the inspection was to determine your compliance with Ohio's hazardous waste laws as found in Chapter 3734 of the Ohio Revised Code (ORC), and the rules promulgated thereunder in Chapter 3745 of the Ohio Administrative Code (OAC). You were present during the inspection.

My records indicate that I have not received a response from you addressing all violations of the hazardous waste laws. These violations were presented to you in Ohio EPA's November 20, 2007, Notice of Violation (NOV) letter. Please be aware that your facility will remain in violation of these laws until they are corrected.

Within seven (7) days of receipt of this letter, you must submit the requested documentation of compliance to my attention. Enclosed for your reference is a copy of Ohio EPA's November 20, 2007 NOV letter.

Should you have any questions, please contact me at (330) 963-1108.

Sincerely,

Frank A. Zingales  
Environmental Specialist  
Division of Hazardous Waste Management
