Youngstown, OH 44514

Dear Mr. Vallas:

On October 21, 2009, the Ohio Environmental Protection Agency (Ohio EPA) received Paul's Auto Body response to the Agency's September 23, 2009 Notice of Violation letter. You indicated that all shop employees have been trained on the proper management of paint related wastes.

Ohio EPA's review of this documentation reveals that the facility has adequately demonstrated abatement of all violations discovered during the September 15, 2009 inspection.

Should you have any questions, please feel free to call me at (330) 963-1278. You can find copies of the rules and other information on the Division of Hazardous Waste's web page at <http://www.epa.state.oh.us/dhwm>

Sincerely,

Wade Balsler  
District Representative  
Division of Hazardous Waste Management
