Dear Mr. Powers:

Thank you for your December 6 and December 11, 2007 response to Ohio EPA's November 8, 2007 Notice of Violation Letter (NOV). In your letter you indicate that you will be operating your facility as a used oil marketer. You submitted a waste analysis plan, rebuttable presumption information, RCRA Subtitle C Site Identification form, secondary containment system information and a waste profile form.

Based upon my review of this documentation, Petroliance has adequately addressed the outstanding violations discovered during the October 2, 2007 inspection.

Sincerely,

Niall McKenna
