**RE: OHD004207387, LAKE COUNTY, RCRA/LQG, RETURN TO COMPLIANCE:**

Dear Mr. Widemire:

Thank you for your response to Ohio EPA's July 25, 2011 Partial Return to Compliance (PRTC) letter. You submitted documentation including:

- By e-mail dated July 11, 2011, PMC submitted a map of the facility showing the location and a description of the emergency equipment for the hazardous waste accumulation areas.
- Certificates of Completion for Hazardous Waste training for employees that manage hazardous waste, and training in the facility contingency plan.

My review of this documentation reveals that PMC has abated the following violations cited in Ohio EPA's July 25, 2011 PRTC letter and is hereby returned to compliance.

1. **Ohio Administrative Code (OAC) Rule 3745-65-16 (A) Personnel training**
2. **OAC Rule 3745-65-52 (E) Content of contingency plan**

Failure to list specific deficiencies in this communication does not relieve PMC from the responsibility of complying with all applicable hazardous waste regulations. Should you have any questions, please feel free to call me at (330) 963-1181.

Sincerely,

Suzanne Prusnek  
Environmental Specialist  
Division of Materials and Waste Management
