Cleveland, OH 44111

Dear Mrs. Brent:

Thank you for your April 30, 2009 response to Ohio EPA's April 15, 2009 Notice of Violation letter. You submitted documentation showing that the satellite accumulation container had been moved to the hazardous waste storage area.

1. OAC Rule 3745-52-34(C)(2) Accumulation Time of Hazardous Waste.

My review of this documentation reveals that PPG Industries Cleveland has adequately demonstrated abatement of the violation discovered during our March 30, 2009 inspection.

Should you have any questions regarding this letter, please contact me at (330) 963-1246.

Sincerely,

John Paquelet
