RTC

Mr. Matt Dawson
Premier Manufacturing Corporation
12117 Bennington Avenue
Cleveland, OH 44135

Dear Mr. Dawson:

On August 13 and September 23, 2008, Ohio EPA received Premier Manufacturing Corporation's (PMC) response to the Agency's June 9, 2008 Partial Return to Compliance letter. PMC submitted copies of certified mail receipts documenting that the contingency plan was submitted to emergency authorities, and sign in sheet documentation that personnel training was conducted.

Ohio EPA's review of this documentation reveals PMC has abated the following violations:

1. Personnel Training, OAC rules 3745-65-16(A)(1-3), (C), and (D)(1-4):
2. Contingency Plan, OAC rules 3745-65-51, 3745-65-52, 3745-65-53:

PMC has abated all violations discovered during the October 18, 2007 inspection and no further response is required.

Should you have any question, please feel free to call me at (330) 963-1278.

Sincerely,

Wade Balsler
District Representative
