Cleveland, Ohio 44109

Dear Mr. Murphy:

Thank you for your May 23, 2011 response to Ohio EPA's May 5, 2011 Notice of Violation letter. The documentation you submitted included photographic documentation demonstrating the universal waste lamp containers have been labeled with the words "Universal Waste Lamps" and the used oil tank has been labeled with the words "used oil."

My review of this documentation reveals that River Recycling has now abated all violations discovered during the April 21, 2011 inspection as listed below.

Letter Citation #	Rule Citation
1.	<b>OAC Rule 3745-273-14 (E), Universal Waste Lamp Labeling</b>
2.	<b>OAC Rule 3745-279-22 (C), Used Oil Labeling</b>

Should you have any questions, please feel free to contact me at (330) 963-1231.

Sincerely,

Tom Roth  
District Representative  
Division of Materials and Waste Management
