RE: REVLIS CORP., OHD 061 022 828, SUMMIT COUNTY, LQG RTC

Dear Mr. Silver:

On October 11, 2007, I received Revlis Corporation (Revlis') response (dated October 10, 2007) to Ohio EPA's September 10, 2007 letter. Subsequently, on October 18 and November 14, 2007, I received additional information from you as requested in my October 15, 2007 e-mail. The following is a summary of the status of the previously cited violation:

- 1. Personnel Training, OAC rule 3745-65-16(C):** Revlis submitted documentation concerning hazardous waste training that was provided to required personnel in October and November 2007. **Based upon submitted documentation, this violation has been adequately abated. No further information is requested.**

Ohio EPA's failure to list specific deficiencies or violations in this letter does not relieve Revlis from having to comply with all applicable regulations.

Should you have any questions, please contact me at (330) 963-1108.

Sincerely,

Frank A. Zingales
Environmental Specialist
Division of Hazardous Waste Management
