Dear Mr. Klein:

Thank you for your May 20, 2011 response to Ohio EPA's April 28, 2011 Notice of Violation letter. The documentation you submitted included copies of the container accumulation log sheets now being maintained at the facility. You also submitted photographic evidence showing the universal waste lamps are properly containerized and labeled.

My review of this documentation reveals that Rexam Healthcare has now abated all violations discovered during the April 13, 2011 inspection as listed below.
