Seneca Tape & Label, Inc.

Cleveland, Ohio 44133

Dear Mr. Hoopingarner:

Thank you for your February 17, 2010, response to Ohio EPA's February 12, 2010, Notice of Violation letter. The documentation you submitted indicates how procedures for the handling of universal waste lamps have been changed at the facility to ensure their proper management. My review of this documentation reveals that Seneca Tape and Label has now abated the violation discovered during the February 3, 2010, inspection. This was a violation of OAC 3745-52-11, for failure to properly evaluate the universal waste lamps prior to their disposal as solid waste.

If you should have any questions, please feel free to contact me at (330) 963-1231.

Sincerely,

Tom Roth
District Representative
Division of Hazardous Waste Management
