RE: SERVICE GUIDE INC.
OHD 144 217 429
TRUMBULL COUNTY, CESQG
RETURN TO COMPLIANCE (RTC)
COMPLAINT NUMBER 7268

Jim Giuliani
Safety & Quality Manager
Service Guide, Inc.
250 Dietz Road
Warren, OH 44483

Dear Mr. Giuliani:

Thank you for your correspondence dated January 21, 2010, and received on January 25, 2010, responding to Ohio EPA's NOV letter dated December 22, 2009.

Service Guide Inc. submitted documentation that included:

- Hazardous waste manifests for five 55-gallon drums of hazardous waste consisting of paint-related wastes;
- Photos of plant areas after containers noted in the inspection letter had been removed, and;
- Training outline for management of universal waste lamps.

My review of this documentation indicates Service Guide, Inc. has adequately demonstrated abatement of the violations from the November 10, 2009 inspection cited in my letter of December 22, 2009, specifically:

1. **OAC Rule 3745-52-11 Waste Evaluation**
2. **OAC Rule 3745-273-16 Employee training for small quantity handlers of universal waste**

Should you have any questions regarding this letter, please contact me at (330) 963-1165.

Sincerely,

Neil J. Wasilk
Environmental Specialist
Division of Hazardous Waste Management
