Dear Mr. Garavanta:

Thank you for submitting the 2006 annual hazardous waste report for the former Henkel/SIA Adhesives facility in Akron. The report was received by Ohio EPA on May 3, 2007. The report is sufficient to abate the following remaining violation from Ohio EPA's March 26, 2007 Notice of Violation:

- 1. Annual Report
OAC 3745-52-41**

No response to this letter is required.

Failure to list specific deficiencies or violations in this communication does not relieve Henkel Corporation from the responsibility of complying with all applicable Ohio EPA laws and regulations. Please be advised that present or past instances of non-compliance can continue as subjects of pending or future enforcement actions.

Please feel free to contact me at: (330) 963-1170 if you have any questions.

Sincerely,

Edward J. D'Amato
