Mr. Neil Chrisman
Spectrum Metal Finishing
535 Bev Road
Youngstown, OH 44512

Dear Mr. Chrisman:

The Ohio Environmental Protection Agency (Ohio EPA) received Spectrum Metal Finishing's (Spectrum) response to the Agency's July 30, 2007 Notice of Violation letter. On August 3, 2007, Spectrum submitted a revised contingency plan. On August 6, 2007, Spectrum submitted LDR information for the F019 waste stream. On August 8, 2007, Spectrum submitted a copy of the contingency plan evacuation routes and documentation demonstrating the plan was sent to emergency authorities.

Ohio EPA's review of this documentation reveals that Spectrum has adequately demonstrated abatement of all violations discovered during the June 9, 2005 inspection.

Should you have any questions, please feel free to call me at (330) 963-1278. You can find copies of the rules and other information on the DHWM's web page at <http://www.epa.state.oh.us/dhwm>.

Sincerely,

Wade Balser
