RE: SPECTRUM METAL FINISHING
LARGE QUANTITY GENERATOR
OHD 004 229 506
MAHONING COUNTY
RTC

Mr. Neil Chrisman
Spectrum Metal Finishing
535 Bev Road
Youngstown, OH 44512

Dear Mr. Chrisman:

The Ohio Environmental Protection Agency (Ohio EPA) received Spectrum Metal Finishing's (Spectrum) responses to the Agency's January 2, 2008 email. In the January 2, 2008 email, Ohio EPA noted an outstanding personnel training violation for documentation required under OAC rule 3745-65-16(D).

On February 27, 2008, Ohio EPA received a copy of the Spectrum's hazardous waste personnel training program. On March 4, 2008, Ohio EPA received documentation of personnel training conducted on January 29, 2008. On April 15, 2008, Ohio EPA received personnel training job titles and descriptions required under OAC rule 3745-65-16(D).

Ohio EPA's review of this documentation reveals that Spectrum has adequately demonstrated abatement of all violations discovered during the June 9, 2005 inspection.

Should you have any questions, please feel free to call me at (330) 963-1278.

Sincerely,

Wade Balser
District Representative
Division of Hazardous Waste Management
