**RE: SUMMIT COUNTY ENGINEER, OHD 981 189 053, SUMMIT COUNTY, CEI,
RETURN TO COMPLIANCE**

Dear Mr. Kabbara:

Thank you for your November 3, 2010 response to Ohio EPA's October 21, 2010 Notice of Violation (NOV). The documentation you submitted included disposal documentation for the 6 containers of various waste materials located at the back of the "yard area".

Ohio EPA has reviewed your documentation and determined that it is sufficient to correct the remaining violation (as cited in the first NOV):

**1. Hazardous Waste Determination
OAC 3745-52-11**

Please feel free to contact me at (330) 963-1170 if you have any questions.

Failure to list specific deficiencies or violations in this communication does not relieve the Summit County Engineer from the responsibility of complying with all applicable Ohio EPA laws and regulations. Please be advised that present or past instances of non-compliance can continue as subjects of pending or future enforcement actions.

Sincerely,

Edward J. D'Amato
Environmental Specialist
Division of Hazardous Waste Management
