Dear Mr. Osman:

On May 25, 2007, the Ohio Environmental Protection Agency (Ohio EPA), received Summit Environmental Technologies' (Summit) response to the Agency's May 11, 2007 NOV letter. Summit submitted the requested personnel training documentation.

Ohio EPA's review of this documentation reveals that Summit has adequately responded to all violations discovered during the November 17, 2006 and February 23, 2007 inspections.

Should you have any question, please feel free to call me at (330) 963-1278.

Sincerely,

Wade Balsler
