RE: **SUMMIT EQUIPMENT AND SUPPLY
COMPLAINT # 7006
RTC
SUMMIT COUNTY**

Mr. Benny Hirsch
1190 Home Ave
Akron, Ohio 44310

Dear Mr. Hirsch:

On August 8, 2008, Mike Bolas and I conducted a follow-up investigation at the Summit Equipment and Supplies' facility in Akron, Ohio. The follow-up was related to the March 25, 2008 complaint investigation conducted by Ohio EPA.

Based on this inspection, Ohio EPA has determined that Summit Equipment and Supply has returned to compliance with the following state hazardous waste regulation as cited in the April 7, 2008 notice of violation letter sent to you:

1. **Waste Evaluation, OAC 3745-52-11**

As requested, I have included a list of recyclers for you. Please note the Ohio EPA portion of the list starts on page 6. The list can also be found at: <http://www.epa.state.oh.us/dhwm/pdf/comp.lamp.ballast.list.July08.pdf>.

Failure to list specific deficiencies and or violations in this communication does not relieve Summit Equipment and Supply from the responsibility of complying with all applicable laws, rules and regulations.

Further be advised that any instances of non-compliance can continue as subjects of pending or future enforcement actions.

Should you have any questions or require additional information, please contact Frank Popotnik, my supervisor, or me at (330) 963-1200.

Sincerely,

Karen L. Nesbit
