Dear Mr. Joseph:

On August 19, 2008, I sent you a letter which included details about the soil sampling needed at Sunrise Equipment Company (Sunrise) located at 5075 Navarre Road, SW, in Canton, Ohio. A copy of this letter is enclosed. I have not received any response to this letter. I did, however, discuss this sampling with Jim Smith of Brownfield Restoration on September 12, 2008. Mr. Smith told me he was writing a quote for the sampling work that he will give to you.

The sampling is required to correct Sunrise's violation of Ohio Revised Code (ORC) 3734.02(E) and (F) which was caused by accumulating hazardous waste beyond 180 days. This was cited in my November 28, 2007, and February 22, 2008 letters to you as violation number 4. Please submit a response outlining your plans for completing this sampling.

If you have any questions, please contact me at (330) 963-1217, or John Palmer at (330) 963-1232.

Sincerely,

Robert Almquist
