Dear Mr. Reed:

On February 11 and 26, 2010, the Ohio Environmental Protection Agency (Ohio EPA) received Taylor Winfield's response to the Agency's January 25, 2010 Notice of Violation letter. The facility submitted photographs, hazardous waste manifests, LDR form, inspection checklists, and training documentation.

**Ohio EPA's review of this documentation reveals that the facility has adequately demonstrated abatement of all violations discovered during the January 14, 2010 inspection.**

Should you have any question, please feel free to call me at (330) 963-1278.

Sincerely,

Wade Balsler  
District Representative  
Division of Hazardous Waste Management
