**RE: THE SELINICK COMPANY  
NON-GENERATOR  
GEAUGA COUNTY  
COMPLAINT #7391/NOC**

Mr. Merv Miller  
The Selinick Company  
15879 Madison Road  
Middlefield, Ohio 44062

Dear Mr. Miller:

Thank you for your April 26, 2011 response to Ohio EPA's March 22, 2011 Notice of Violation letter. The documentation you submitted included your statement that the spilled used oil has been cleaned up and properly disposed of. In addition, you indicate that the leaky valve on the used oil tank has been repaired. This was confirmed by my follow-up visit of May 6, 2011.

My review of this documentation reveals that The Selinick Company has now abated the violations discovered during the March 18, 2011 inspection as listed below.

Letter Citation #	Rule Citation
1.	OAC Rule 3745-279-22(B), Container/Tank Condition
2.	OAC Rule 3745-279-22(D), Release of Used Oil

Should you have any questions, please feel free to contact me at (330) 963-1231.

Sincerely,

Tom Roth  
District Representative  
Division of Materials and Waste Management
