**RE: TROY MANUFACTURING COMPANY, INC., OHD004178356, GEAUGA COUNTY  
RCRA/LQG, COMPLIANCE EVALUATION INSPECTION, RETURN TO COMPLIANCE**

Dear Mr. Fath:

Thank you for your May 12, 2008 response to Ohio EPA's August 14, 2007 Partial Return to Compliance letter. You submitted information and documentation including:

- A statement indicating that the hazardous waste tanks have been replaced by new tanks and a new secondary containment installed at the recommendation of the P.E., Mr. Joseph Nyzen.
- Information and documentation, including photographs, detailing the installation, testing and assessment of the new hazardous waste tank system.
- A Letter of Certification from the P.E., Mr. Joseph Nyzen, certifying the design and installation of the hazardous waste tank system.

My review of this documentation reveals that Troy has adequately abated the hazardous waste violations cited in Ohio EPA's December 5, 2005 Notice of Violation letter and is hereby returned to compliance.

Failure to list specific deficiencies in this communication does not relieve Troy from the responsibility of complying with all applicable hazardous waste regulations. This letter does not relieve Troy from liability for any past or present violations of the state's hazardous waste laws.

Should you have any questions, please feel free to call me at (330) 963-1181.

Sincerely,

Suzanne Prusnek
