RE: UNIVAR USA, INC.

LARGE QUANTITY GENERATOR  
CUYAHOGA COUNTY  
RETURN TO COMPLIANCE

Mr. Scot Asvestas  
Univar USA, Inc.  
Branch Operations Manager  
21600 Drake Rd.  
Strongsville, OH 44149-6615

Dear Mr. Asvestas:

I have received your June 24, 2008 email submitted in response to Ohio EPA's June 9, 2008 notice of violation letter. Your email contained an updated contingency plan which included the addresses for those persons qualified to act as the emergency coordinator, and two weeks worth of completed inspection checklists to document that spill equipment is being inspected.

Univar has documented it's returned to compliance with the following violations noted during Ohio EPA's May 29, 2008 compliance evaluation inspection:

1. **Ohio Administrative Code (OAC) 3745-65-52(D); Contingency Plan.**
2. **OAC 3745-65-33; Testing and maintenance of equipment.**

No response to this letter is necessary.

Ohio EPA's failure to list specific deficiencies or violations in this letter does not relieve your facility from its obligation to comply with all applicable regulations.

Should you have any questions please contact me at (330) 963-1162 or at: [Marlene.kinney@epa.state.oh.us](mailto:Marlene.kinney@epa.state.oh.us).

Sincerely,

Marlene M. Kinney
