Dear Mr. Miller:

Thank you for your March 9, 2011 response to Ohio EPA's March 3, 2011 Notice of Violation letter. You submitted documentation including photographs of a container being properly labeled that addressed the following violation:

Labeling of Waste Lamps OAC rule 3745-273-14(E):

My review of this documentation reveals that Venture Lighting has adequately demonstrated abatement of all violations discovered during our February 11, 2011 inspection.

Should you have any questions regarding this letter, please contact me at (330) 963-1246.

Sincerely,

John Paquelet
