RE: WALLACE LINCOLN MERCURY
NON-NOTIFIER
SUMMIT COUNTY
COMPLAINT # 6969
RETURN TO COMPLIANCE

Lee Wallace
Wallace Lincoln Mercury
556 Fourth St. NW
Barberton, OH 44203

Dear Mr. Wallace:

Thank you for your response to Ohio EPA's October 22., 2007 Notice of Violation. Your response was received by this office on November 14, 2007. In addition, Ed Bell from Tank Pro, Inc submitted via e-mail photographs and a scale ticket showing the used oil contaminated soil in the vicinity of your used oil tank had been cleaned up and disposed.

Ohio EPA has reviewed the documentation and determined that it is sufficient to abate the violations cited in the NOV:

1. **Response to Releases of Used Oil**
OAC 3745-279-22(D)
2. **Hazardous Waste Determination**
OAC 3745-52-11

Failure to list specific deficiencies in this communication does not relieve Wallace Lincoln Mercury from the responsibility of complying with all applicable Ohio EPA laws and regulations. Please be advised that present or past instances of non-compliance can continue as subjects of pending or future enforcement actions.

Please feel free to contact me at (330) 963-1170 if you have any questions about the inspection or this letter.

Sincerely,

Edward J. D'Amato
Environmental Specialist
Division of Hazardous Waste Management
