Dear Mr. Vujovic:

Thank you for your January 12, 2009 response to Ohio EPA's December 29, 2008 Notice of Violation letter. The documentation you submitted included photos, waste manifests, training records, and updated plans and policies.

My review of this documentation reveals that Western Enterprises has now abated all violations discovered during the December 3, 2008 inspection as listed below.

Letter Citation #	Rule Citation
1.	Contingency Plan – Emergency Coordinators, OAC 3745-65-52(C)

GENERAL COMMENTS

Based upon the information provided by Western Enterprises, Ohio EPA has determined that the universal waste lamps and batteries are being managed by Hukill Chemical Corporation. A sample of a waste paint filter has been sent to an independent lab for analysis and profile. Western Enterprises should forward these results to Ohio EPA when completed.

If you should have any questions, please feel free to contact me at (330) 963-1214.
