Dear Mr. Dobrindt:

Thank you for your correspondence dated March 31, 2011. That letter responded to Ohio EPA's NOV letter dated February 2, 2011.

Documentation provided with your letter included copies of the account application and invoice for used fluorescent lamp recycling. My review of the documentation indicates that Youngstown Pre-Press has adequately demonstrated abatement of the violation from the January 19, 2011 inspection cited in my letter of February 2, 2011, specifically:

1. OAC Rule 3745-52-11 Waste Evaluation

Should you have any questions regarding this letter, please contact me at (330) 963-1165.

Sincerely,

Neil J. Wasilk
