Complaint #2992
Hazardous Waste
Return to Compliance

November 30, 2010

Mr. Ron Munnings
Allen County Pallet
700 East Hanthorn Road
Lima, Ohio 45804

Dear Mr. Munnings:

Thank you for your September 18, 2010, response to Ohio EPA's August 13, 2010, Notice of Violation letter. Ohio EPA received your response on September 21, 2010. You submitted documentation including the new universal waste procedures for spent lamps and a shipping paper from DISC Environmental Service, Inc. demonstrating that 675 gallons of used oil was removed for recycling by DISC on August 17, 2010. According to your response, Allen County Pallet will be using Environmental Recycling to recycle its spent lamps. On November 18, 2010, I spoke to Aaron Wright about spent lamps at Allen County Pallet and he said the business is starting a lighting replacement project next week and all lamps will be properly packed and labeled according to the new plan.

My review of this documentation reveals that Allen County Pallet has adequately demonstrated abatement of the two violations discovered during my August 5, 2010, inspection.

If you have any questions, please feel free to contact me at (419) 373-3074.

Sincerely,

Don North
District Representative
Division of Hazardous Waste Management
