Mr. Dean Bowersock, Manager
Best One Tire of Delphos
502 North Main Street
Delphos, Ohio 45833

Dear Mr. Bowersock:

Thank you for submitting the requested information received by Ohio EPA on June 15, 2011. You submitted this information in response to my January 27, 2011, Notice of Violation. In your response letter, you stated that your company will be recycling your fluorescent light bulbs through Grainger Industrial Supply Company in Lima, Ohio. Therefore, you will be managing your light bulbs as universal waste. Please remember to follow the universal waste rules as prescribed in the guidance document I previously provided you.

My review of this documentation reveals that Best One Tire of Delphos has abated the violation discovered during the January 10, 2011, complaint investigation/inspection as listed below:

Table with 4 columns: Letter Citation #, Rule Citation, Discovered, and RTC Date. Row 1: 1, OAC Rule 3745-52-11: Waste Evaluation, 01/10/2011, 06/15/2011

Should you have any questions or if I can be of assistance, please contact me at (419)373-3015.

Sincerely,
