Dear Mr. Dancer:

Thank you for your December 30, 2009, response to Ohio EPA's December 22, 2009, Notice of Violation letter. The documentation you submitted included a statement of your intent to manage your spent light bulbs as universal waste by sending them to be recycled with Waste Management (Bowersock Hauling). Make sure that you follow the universal waste storage, labeling and storage tracking requirements as explained in the information sheet I provided you.

Based on this information Dancer Logistics, Inc., has now abated the remaining violation discovered during the December 16, 2009, inspection as listed below:
