Dear Mr. Sawmiller:

Thank you for your October 15, 2007, response to Ohio EPA's September 24, 2007, Notice of Violation letter. You submitted documentation including: a photo demonstrating that containers holding Universal Waste lamps are closed, a photo demonstrating that containers holding Universal Waste lamps are labeled, a photo demonstrating that containers of Universal Waste lamps are dated, a Universal Waste lamp training outline and a signature sheet demonstrating attendance at this training, and copies of two weeks of tank system inspection records.

My review of this documentation reveals that Ohio Decorative Products has adequately demonstrated abatement of all violations discovered during my September 12, 2007, inspection, including:

1. **Universal Waste Packaging - Lamps**
OAC Rule 3745-273-13(D)(1)
2. **Universal Waste Labeling - Lamps**

3. **Accumulation Time for Universal Waste Lamps**
OAC Rule 3745-273-15(C)
4. **Universal Waste Employee Training**
OAC Rule 3745-273-16
5. **Tank System Inspection Record**
