Dear Ms. Latto:

Thank you for your May 24, 2011, response to Ohio EPA's April 25, 2011, Notice of Violation letter (NOV). Ohio EPA received your response on May 25, 2011. You submitted documentation including: photographs of a 55-gallon drum labeled with the words "Used Oil", a copy of the analytical summary for your used oil, and a copy of the invoice for the analysis of your used oil. Your letter also describes these corrections.

My review of this documentation reveals that on April 25, 2011, PPG Finishes adequately demonstrated abatement of the two violations discovered during my April 14, 2011, inspection.

If you have any questions, please feel free to contact me at (419) 373-3074.

Sincerely,

Don North
District Representative
Division of Materials and Waste Management
