Ms. Shelly Liette
Environmental Coordinator
Goodyear Tire & Rubber Company
1115 South Wayne Street
St. Marys, Ohio 45885

Dear Ms. Liette:

Thank you for your July 11, 2007, response to Ohio EPA's June 13, 2007, Notice of Violation letter. You submitted documentation including: photos demonstrating the proper dating of containers holding uncured rubber with lead (D008) and waste adhesive spray booth filters (D008).

My review of this documentation reveals that Goodyear has adequately demonstrated abatement of the violation discovered during my June 4, 2007, inspection.

If you have any questions, please feel free to call me at (419) 373-3074.

Sincerely,

Don North
District Representative
Division of Hazardous Waste Management
