Shupert Tire Service  
Attn.: Barry Copas  
136 Lick Run Road  
West Union, Ohio 45693

Dear Mr. Copas:

On September 17, 2008, I conducted an inspection of your tire generating business to determine compliance with Chapter 3745-27 of the Ohio Administrative Code (OAC) Rules, and the Consent Order that was signed by you on August 30, 2001, effective date September 14, 2001, concerning the scrap tire dump and the removal of the scrap tires.

I observed that you have removed all of the scrap tires from the back of your property.

I have determined that Shupert Tire is in compliance with the Consent Order of September 14, 2001. You should send a letter to the director as described in Section VI., Termination and Satisfaction of the Consent Order. The certification shall make the following attestation: "We certify that the information contained in or accompanying is true, accurate and complete."

I would like to thank you for your efforts.

Should you have questions, please contact me at (740) 380-5246.

Sincerely,

Clint Shuff, R.S.

Division of Solid and Infectious Waste Management
