Dear Mr. Cooper:

The Southeast District Office of the Ohio EPA conducted a follow-up inspection of your property on May 8, 2007. This was the site of an open dump of solid waste that existed on your property located off of Churn Creek Road, in Adams County, Ohio.

During this inspection, I met with you and I observed that you have removed the solid wastes dumped beside the creek and on your property. I also observed that you had a roll-off box on your property from Pike Sanitation full of solid waste. You stated that Pike Sanitation would be removing the roll-off box of waste soon.

I would like to thank you for complying with Ohio's solid waste laws.

Should you have questions, please contact me at (740) 380-5246.

Sincerely,

Clint Shuff, R.S.
