Mr. Larry Edenfield  
589 Tri-County Road  
Seaman, Ohio 45679

Dear Mr. Edenfield:

I conducted a follow-up inspection of the complaint that open dumping and burning of solid waste is occurring on property adjacent to the intersection of Calvary and Pence Road in Adams County. I conducted this inspection of your property on January 8, 2009. I observed the solid wastes that were dumped and burned on your property next to the barn have been removed.

I received waste receipts from you where 5.63 tons of solid waste was taken to the Rumpke Landfill in Georgetown, Ohio. The solid waste violations have been abated. Thank you for complying with Ohio's solid waste laws.

Compliance with the requirements outlined in this letter, or the solid and infectious waste provisions contained in ORC Chapter 3734 and the rules promulgated thereunder, does not relieve the owner of his obligation to comply with other State and Federal laws and regulations.

Should you have questions, please contact me at (740) 380-5246.

Sincerely,

Clint Shuff, R.S.  
Environmental Specialist  
Division of Solid and Infectious Waste Management
