Mr. and Mrs. Frank Swayne

Peebles, Ohio 45660

Dear Mr. and Mrs. Swayne:

The Southeast District Office of Ohio EPA conducted a follow-up inspection of the complaint that open dumping of scrap tires and other solid wastes is occurring on property located off of Curt Wilson Road, in Adams County, Ohio. I conducted an inspection of this property on September 15, 2009. I observed that all scrap tires were removed.

This is to confirm that, pursuant to Ohio Revised Code (ORC) Section 3734.85(E) and Ohio EPA's Consensual Scrap Tire Program, scrap tires were removed from your property located on Curt Wilson road in Adams County, Ohio. Ohio EPA's scrap tire abatement contractor completed the cleanup on or about July 30, 2009.

According to the contractor's billing records, 15.86 tons of scrap tires were removed from the property, and 26.65 tons of solid waste was removed. Ohio EPA received an invoice for \$8,272.19 for the removal and disposal of the scrap tires and solid waste.

Should you have questions, please contact me at this office at (740) 380-5246.

Sincerely,

Clint Shuff, R.S.
