Mr. and Mrs. Ed Storer
5511 Unity Road
Peebles, Ohio 45660

Dear Mr. and Mrs. Storer:

The Southeast District Office of Ohio EPA received a complaint that open dumping of solid waste is occurring on property off Unity Road, in Peebles, Adams County, Ohio. I conducted an inspection of the property on December 18, 2009. I observed solid wastes are being dumped on this property in a ditch. I met with you on this inspection to discuss the open dumping of solid waste.

Open dumping of solid waste is a violation of Chapter 3734 of the Ohio Revised Code (ORC) and Section 3745-27 and 3745-400 of the Ohio Administrative Code (OAC).

Specifically:

ORC 3734.03 - No person shall dispose of solid wastes by open dumping or open burning.

OAC 3745-27-05(C) - No person shall conduct, permit, or allow open dumping. In the event that open dumping is occurring or has occurred at a property, the person responsible for the open dumping, the owner of the property, or the person who allows or allowed open dumping to occur, shall promptly remove and dispose or otherwise manage the solid waste in accordance with Chapter 3734, of the Revised Code, and shall submit verification that the solid waste has been properly managed.

ORC 6111.04 (A)(1) - No person shall cause pollution or place or cause to be placed any sewage, sludge, sludge materials, industrial waste, or other wastes in a location where they cause pollution of any waters of the state.

Presently, you are in violation of the above referenced rules.

Open dumping of solid waste must cease immediately. All solid wastes disposed at the described location must be removed from the property and taken to a licensed solid waste disposal facility for proper disposal. Obtain copies of receipts from the landfill that received the waste and provide those copies to this district office in order to document your compliance. I suggest that you obtain the services of a registered waste hauler to assist you in your waste disposal.

I am requesting that you respond to me at this district office within ten days of receipt of this letter to notify me of your intentions and actions taken to abate the open dumping.

Compliance with the requirements outlined in this letter, or the solid and infectious waste provisions contained in ORC Chapter 3734 and the rules promulgated thereunder, does not relieve the owner of his obligation to comply with other State and Federal laws and regulations.
