Mr. Brian Hayslip
4092 Churn Creek Road
Stout, Ohio 45684

Dear Mr. Hayslip:

The Southeast District Office of Ohio EPA received a complaint that the illegal disposal of demolition debris has occurred off of Churn Creek Road in Adams County, Ohio.

I conducted investigations of the site on March 27, 2008, and April 2, 2008. No one was home on both inspections. I observed that demolition debris has been buried approximately 200 feet from your trailer on the other side of the creek. I was informed that you razed an old house and buried the structure.

Illegal disposal of demolition debris is a violation of Chapter 3714 of the Ohio Revised Code (ORC) and Chapter 3745-400 of the Ohio Administrative Code (OAC).

Specifically:

OAC 3745-400-04(B) - No person shall conduct or allow illegal disposal of construction and demolition debris.

Illegal disposal of demolition debris must cease immediately. All demolition debris disposed at the above location must be removed and properly disposed at a licensed landfill. Please respond to this District Office within ten days of receipt of this letter to inform me of your intentions and actions taken to abate the above noted violations.

Compliance with the requirements outlined in the letter, or the solid and infectious waste provisions contained on ORC Chapter 3734 and the rules promulgated thereunder, does not relieve your obligation to comply with other applicable State and Federal laws and regulations.
