Mr. Joe Tucker, Transportation Director  
Galion City Schools  
470 Portland Way North  
Galion, Ohio 44833

Dear Mr. Tucker:

Thank you for submitting the requested information received by Ohio EPA on May 24, 2010. You submitted this information in response to my April 1, 2010, Notice of Violation Letter. The documentation you submitted included: a statement indicating your intent to manage your spent light bulbs as universal waste, a photograph showing drums of used oil properly labeled, and information regarding Clean Water Limited where you will be sending your used oil to be recycled from now on.

My review of this documentation reveals that Galion City Schools District has now abated all the violations discovered during the March 17, 2010, inspection as listed below:

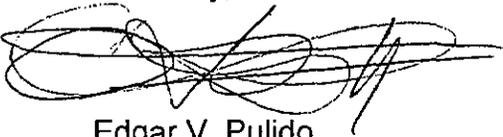

Letter Citation	Rule Citation	Date Discovered	RTC Date
1	OAC Rule 3745-52-11: Waste Evaluation – Spent lamps	03/17/2010	05/24/2010
2	OAC Rule 3745-279-22(C)(1): Used Oil Management – Container Labeling	03/17/2010	05/24/2010
3	OAC Rule 3745-279-24: Used Oil – Off-site shipments of used oil by generators	03/17/2010	05/24/2010
