Return to Compliance

October 1, 2008

Mr. Tim Miller
Miller Collision Body & Paint
321 W. Mansfield Street
Bucyrus, Ohio 44820

Dear Mr. Miller:

Thank you for your September 23, 2008, & September 26, 2008, responses to Ohio EPA's July 28, 2008, Notice of Violation letter. I received via email information for your fluorescent bulbs which indicates you will now be managing these bulbs as universal waste and recycling with K&D of Ohio, Inc. and waste profile information which includes your waste evaluation for your spent solvent/paint waste stream.

My review of this documentation reveals that Miller Collision Body & Paint has adequately demonstrated abatement of the violation discovered during the July 16, 2008, inspection as listed below:

Violation	Date Violation Observed	Date Violation Abated
1. OAC Rule 3745-52-11 Waste Evaluation.	July 16, 2008	A.) September 23, 2008 B.) September 26, 2008

No response to this letter is necessary. If you should have any questions, please feel free to call me at (419) 373-3082.

Sincerely,

Amber M. Hicks
Division of Hazardous Waste Management
