Return to Compliance

November 20, 2008

Mr. John Elgin  
P. O. Box 412  
Galion, Ohio 44833

Dear Mr. Elgin:

Thank you for your response to Ohio EPA's September 24, 2008, Notice of Violation letter (NOV). On November 17, 2008, Ohio EPA received a letter stating that you would be transporting less than 55-gallons of used oil (per regulation) to Mike's Auto Wrecking, a registered used oil collection center for recycling.

My review of this documentation reveals that USA Auto has adequately demonstrated abatement of the violation discovered during the September 4, 2008, compliance evaluation inspection as listed below:

Violation	Date Violation Observed	Date Violation Abated
1. OAC Rule 3745-279-24 Off-site shipments of used oil by generators.	September 4, 2008	November 17, 2008

No response to this letter is necessary. If you should have any questions, please feel free to call me at (419) 373-3082.

Sincerely,

Amber M. Hicks
