Mr. Virgil Hoene
Archbold Equipment Co.
P.O. Box 4565
Sherwood, Ohio 43556

Dear Mr. Hoene:

Thank you for your October 29, November 12 and December 7, 2009, responses to Ohio EPA's September 29, 2009, Notice of Violation letter. I received your complete response to the violation of OAC Rule 3745-279-22(C)(1) on November 12, 2009, and your complete response to the violation of OAC Rule 3745-52-11 on December 7, 2009. You submitted documentation including photographs of properly labeled used oil containers and a photograph of a properly labeled container of spent universal waste lamps and you described your new universal waste procedures for spent lamps. According to you, on December 7, 2009, Archbold Equipment Co. will use Safety-Kleen to recycle its used lamps.

My review of this documentation reveals that Archbold Equipment Co. has adequately demonstrated abatement of the violations discovered during my September 24, 2009, inspection.

In summary the following violations have been abated:

1. **Waste Evaluation, OAC Rule 3745-52-11 was abated on December 7, 2009**
2. **Used Oil Container Labeling, OAC Rule 3745-279-22(C)(1) was abated on November 12, 2009**
